

AP EURO SUMMMER WORK

Welcome AP Euro students! It's going to be a great year and I'm excited to work with you! Because we have to cover 5 ½ centuries in less than 180 days, we have to hit the ground running...AKA: Summer Work! And a Summer Work Quiz! **ALL ASSIGNMENTS ARE DUE ON THE 3rd DAY OF SCHOOL, WHICH IS WHEN THE QUIZ WILL BE.** You may type only the "Posers" Art Assignment; all other work needs to be neatly handwritten in blue or black ink.

Part I involves taking a picture of yourself recreating several famous works of art and writing a little explanation of your picture.

Part II involves completing reading guides for two textbook chapters. You'll thank me in May, when you don't have to do one of these then!

Part III is your choice! You are to read either *Monuments Men* or *Saving Italy* by Robert M. Edsel. Do not choose *Monuments Men* simply because you think you can watch the movie in lieu of reading the book! ☺ As you read these books, pay attention to the fates of 3 pieces of artwork (this includes buildings and objects, not just paintings) of your choosing. Think about the role art plays in a nation's heritage and culture and how much of a priority saving and protecting it should be. Be prepared to explain and defend your opinion.

Remember: This needs to be your individual work – any plagiarism (internet or otherwise) will result in a zero for this assignment and disciplinary action. Should you have any questions regarding the assignment or the class, please feel free to email me at rickeard.rebecca@mail.fcboe.org. Just remember that I will be on summer vacation too and will not be checking email every day! **You must email me from your FCBOE account; I will not accept or read any emails from personal accounts.**

Have a great summer!

Ms. Rickeard
