

AP Human Geography Summer Work 2019

Visit the following Quizlet link <https://quizlet.com/6ohgjf> and learn the terms that are posted. You will have a quiz over these terms the first week of school. You will get multiple attempts to pass this quiz. However, the makes ups will be before or after school. The terms on the quiz will also be worded differently than they are on the Quizlet. These terms are some of the must know terms in the class and by knowing them you will have a head start when covering the material.

Have a good summer and I look forward to seeing you all in August.

Joseph Bara
