

Summer Work for AP U.S. History

Welcome to APUSH! Get ready for fun and crazy year. If you are confused about this assignment, please feel free to email me at king.susan@mail.fcboe.org. If I need to contact you I will do so either through school email or remind101. You are expected to know the information in this assignment on the first day of school. I will not go over this in class, so you need to actually learn it during the summer work.

It's APUSH, my friends. We roll with the punches.

Task #1: Remind101

Task: Join the APUSH remind 101 group through the link or by texting @k772bk to the number 81010

Task #2: Time period 1(1491 - 1607) Videos & Reading

Task: Watch the attached videos and read the attached chapters. Fill in the guided notes.

Assessment: this will be the bulk of the quiz on the 2nd day of school.

- Here is a set of “guided notes” for the videos and .pdf reading chapters to help you manage the information. *This handout is not a grade, but will help you focus on the important information (which you will be expected to have mastered on the first test).*
- Watch the Tom Richey Videos on content covered on Period 1. You need to watch the following videos. *Links below.*
 - [Native American Cultures, 1491-1607](#) - (about 15 minutes)
 - [Spanish Colonization of the Americas](#) – about 8ish minutes
 - [French colonization of North America](#) –about 8ish minutes
 - [New Netherlands; Dutch colonization of North America](#) about 9 minutes
 - [English Colonization](#) – (5ish minutes)
- Read the chapters, “[New World of Many Cultures](#)” and “[The Thirteen Colonies and the British Empire.](#)” These are from a review book called *United States History; Preparing for the Advanced Placement Examination* (2015 edition). Do the guided notes – *trust me.*

Best advice: Do the guided notes as you watch the videos and read. Again, not a grade, but very helpful for the quiz on the 2nd day of school.

Task #3: Constitutional Vocabulary.

The task: Learn the vocabulary on [this flashcard deck](#).

Assessment: this will be one section on the quiz on the 2nd day of school.

- Constitutional Vocabulary – these are words that I use all the time and assume you know. So, you’d better do the quizlet to be sure you know what I’m talking about.

Task #4: Map of the US -

Task: Learn the US map (states and selected rivers).

Assessment: Quiz on the 3rd day of school.

- You will have to know the 50 states for this class, plus a few major land features (Appalachian and Rocky mountain ranges, Mississippi, Missouri, Rio Grande, Ohio, and St. Lawrence Rivers. For the states, I suggest googling “US Map Game” to learn them.

Please remember you will have a quiz on the 2nd day of school (covering the information from the videos, readings, and flashcard deck) and on the 3rd day of school (covering the map).
