Welcome to APUSH! Get ready for a kinda crazy year. ☺ We are covering period 1 (covers 1491 to 1607) through the summer assignment and probably won't really do this much in class. *Therefore I need you to put the info you learn in the summer assignment into long term, not short term memory.*

If you are confused about this assignment, please feel free to email me at [king.susan@mail.fcboe.org](mailto:king.susan@mail.fcboe.org). If I need to contact you I will do so by your school email and the remind101 site, so please check that at least a little over the break.

There are 3 parts to this summer work:

**Part I: Period 1 (1491 - 1607)** You will be quizzed on this on this content on the **3rd** day of school.

- Read the chapters, "New World of Many Cultures" and "The Thirteen Colonies and the British Empire." These are from a review book called *United States History; Preparing for the Advanced Placement Examination* (2015 edition). **A .pdf of these chapters can be found on the summer work site.** Here is a set of "guided notes" for the videos and .pdf reading chapters to help you manage the information. **This handout is not a grade, but will help you focus on the important information for the quiz.**
- Watch the Tom Richey Videos on content covered on Period 1. You need to watch the following videos.
  - Native American Cultures, 1491-1607 - (about 15 minutes)

THE QUIZ ON DAY 3 WILL COVER CONTENT FROM THE VIDEOS, THE 2 CHAPTERS, THE FLASHCARDS, AND THE MAKING IT STICK VIDEO (see Part II). I have done a "guided notes" for the videos and .pdf reading chapters to help you manage the information. **The guided notes are not a grade**, but they might help you target the information that will be on the quiz.

**Part II: Make it Stick** - Make it Stick is a book by cognitive scientists about actual, practical learning methods. I would love for you to read this book, but, let's face it – it's summer and you probably don't want to do that. So...

- Watch the Core message video that covers the basic ideas of this book. The information will also be on the quiz on Day 3. Again, here are some guided notes. The notes are not a grade, but they can help you on the quiz.

**PART III ON THE BACK**

### **Part III: Map of the US**

- You will be quizzed on this the **2nd** day of school

You will have a quiz on the US map, including all of following:

- All 50 states
- Mountain Ranges: Appalachian and Rockies
- Rivers: Mississippi, Missouri, Rio Grande, Ohio, Colorado, and St. Lawrence

I'm really excited for this year's class and I can't wait to meet you all. Have a great summer and I'll see you soon!
