

Part I – Create a Khan Academy Account if you do not already have one

- After that begin to look around at the AP World History Curriculum and Videos

Part II – Crash Course Videos

Watch the following Crash Course Videos to gain a background knowledge of where we are beginning the course. They are fast and a bit cheeky but the information is good so make sure to do them. Also answer the questions that are attached. You can find the videos by searching Crash Course World History on You Tube

Crash Course World History

1 – Agricultural Revolution

2 – Indus River Valley

3 - Mesopotamia

4 - Egypt

5 – The Persians and the Greeks

6 – Buddha and Ashoka

7 – 2000 Years of Chinese History

8 – Alexander the Great

** The Crash Course Video Packet will be your first grade**

Part III – Rest – We are going to start the first day with the treadmill at 10 so rest and relax while you can, there is not a lot of that while we are in session next year.
