

Whitewater High School 2019-20 Advanced Placement Course Information

Any student interested in taking AP courses for the 2019-20 school year is encouraged to apply for these courses by submitting an online application for each AP course.

DIRECTIONS: Please read through all of the following information to review course offerings, additional requirements, and the AP Coursework Policies and Agreement. When you determine for which AP course(s) you will apply, submit an online AP application for each course and complete any additional requirements, this may include a timed writing, an interview, or a diagnostic assessment. The AP application link is on the WHS website and at <https://tinyurl.com/WHSAP19-20>. This link will be available after AP Night on 1/10/19; students are required to be logged in to their fcboe.mail.org email to complete an AP application form. **A SEPARATE APPLICATION MUST BE COMPLETED FOR EACH COURSE.** You may have received an AP Potential letter on December 20, 2018. As indicated in the letter, you were identified by College Board as a student with potential for success in an AP course(s) and are encouraged to apply for this AP course(s). However, you must still complete an online application for each course you would like to take. You are also encouraged to complete a Standard Application for any course of interest regardless of AP Potential qualifications.

Students will not be automatically enrolled in AP courses. All students must apply for each AP course that they would like to take by submitting all online AP applications before the due date: Friday, January 18, 2018 at 5:00 P.M. Some courses may require additional elements; these requirements must be completed on Jan. 15, 16, or 17.

AREA	COURSE	GRADE(S)	PREREQUISITE
CTE	AP Computer Science Principles	10-12	No Prerequisite
	AP Computer Science A	11-12	Accelerated Precalculus, Accelerated Geo/Alg II or Algebra II OR Intro to Digital Technology AND AP Computer Science Principles
English	AP Language	11	10 th Lit/Comp OR 10 th Lit/Comp Gifted
	AP Literature	12	American Lit/Comp OR AP Language/Comp
	AP Seminar	10-12	9th Lit/Comp, 9th Lit/Comp Gifted - No AP Potential Qualification for this course
	AP Research	11-12	AP Seminar
Fine Arts	AP Art History	10-12	9th Lit/Comp OR 9th Lit/Comp Gifted

AP Music Theory	Jan. 16	7:45 am or 3:50 pm	Music Test	521
AP Seminar	Jan. 15, 16, 17	7:45 am or 3:50 pm	Writing Sample	1006
AP Spanish	Jan. 15, 16, 17	7:45 am or 3:50 pm	Writing & Speaking Sample	1019

AP Coursework Policies and Agreement

Advanced Placement courses offer college-level coursework in the high school setting, affording students the opportunity to receive college and high school credit simultaneously. These are rigorous courses that provide students with a strong foundation in the curriculum area of study. If accepted into an AP course, both students and parents understand and agree to the following:

- I will complete all summer reading and assignments (if applicable). Failure to complete summer reading assignments will not constitute a reason to drop an AP class.
- I will be enrolled in the yearlong course for two semesters; class changes will NOT be permitted. AP classes are built around student requests and can not change at the semester break. AP courses are year-long courses. No schedule changes.
- I will take the first semester exam. AP students are not eligible to exempt semester one exams; this provides students with extra AP practice.
- I may not transfer from an AP class to a regular education class.
- I am required to take the AP exam for each AP course in which I am enrolled, and I assume all responsibility for payment for all AP exams (currently \$94 per exam). Each course has a designated exam day set by the College Board. AP exams begin the first week in May.
- I understand that the grade I earn in an AP class will be averaged into my cumulative GPA and that a separate GPA will be calculated with an AP quality point added.
- I understand that once I accept an AP class qualification, I have signed a binding commitment. Signed AP Acceptance letters are due to **Guidance by 4:00 P.M. on Friday, February 15, 2018.**
- I understand that if I accept to take more than three (3) AP courses, I must complete the Maximum Course Exemption Application (copies in the front office and on the WHS website) and schedule a meeting with Mr. Cole to discuss my academic plan. You will need to email Mr. Cole to request a meeting at cole.steve@mail.fcboe.org.

AP LUNCH AND LEARN: Counselors will be available in the Counseling office to answer student questions regarding Advanced Placement courses and the application process.

January 16th, 17th, and 18th A, B, and C Lunches

Knowledge ♦ Opportunity ♦ Success
