

## Try-outs Information

- Before try-outs begin, potential cheerleaders **MUST** have a physical form on file at WHS; without physicals, the student will be **prohibited** from further tryouts

- For the duration of Oct. 8<sup>th</sup>-10<sup>th</sup>, potential cheerleaders will learn two cheers/chants, a short dance and be required to conduct two cheerleading jumps.
- On the day of tryouts, potential cheerleaders will be required to wear white t-shirts and black shorts; if you do not come with this attire on....do not come to tryouts.
- Attendance and attitudes will not only play a huge role in making the team but it will also be a leading factor in choosing a Captain and Co-Captain for this year's squad.

- Once you have made the squad, be prepared to pay the Cheer Costs no later than October 17<sup>th</sup> (approx. \$140.00; not including cheer briefs and bags)
