Mon., April 20	East Coweta	Summer Grove
May 4 th	Boys (Area)	Georgia National
May 5 th	Girls (Area)	Heron Bay

Fayette County Tiger Golf

Dear parents,

This year's golf season is just around the corner and several players have expressed an interest in purchasing golf bags. I have always tried to keep costs down in an expensive sport like golf. I looked around at various vendors for good golf bags at a reasonable rate. The Nike representative sent me e-mail about a golf program that they do for colleges and high schools. I have designed a golf bag tailored to our school colors with our logo. The players will be able put their name on the bag. Below is a picture of the golf bag. The total cost for the player is \$160. That includes everything. Mr. Handley, our AD, has agreed to pay for the stitching set up costs (\$75-\$100).

Purchase of the bag is NOT a requirement and we need a minimum of 6 to make the purchase. I plan on buying one so that leaves 5. We must send order off by next week so that we have bags by season's start. Those players who purchase a golf bag will have their golf participation fee reduced from \$100 to \$40. I hope this helps. Again, I am very cognizant of the economic situation and don't want to create any stress over these bags. If you wish to make the purchase please sign your name below.

Thanks,

Tim Miller (cell #770-780-2026)
