

# There's Something New at Braelinn

---

Leadership Assembly  
November 29, 2017

You may have noticed something **new** and **under construction** at Braelinn ...

---

It's a **sign**. Do you see it? Let's take a closer look ...

---

While you may not see any words **yet**, soon this will have lots of information about Braelinn.

But wait, I think I see a little something  
written on the sign already ...

---

Let's get a little closer ...

A photograph of a memorial plaque set in a brick wall. The plaque is a reddish-brown brick with black text that reads "WENONAH BELL", "INSPIRING LEADER", and "1998-2018". The plaque is surrounded by brown mulch, and several bright yellow flowers are growing in front of it. The background is a wall of red bricks with light-colored mortar.

WENONAH BELL  
INSPIRING LEADER  
1998-2018

We  you,  
Mrs. Bell!

Thank you for your leadership!

You will be leaving a lasting legacy.

Wenonah Bell  
Inspiring Leader
