

Dear Parents & Guardians,

We are excited for our students in grades 3-5 to take their Chromebooks home over the summer! This will allow students to continue to use web based resources provided by the Fayette County School System. Please remember to have your students bring them fully charged the first day of school.

Important Information

*All students will keep the same Chromebook for 4 years.

*5th graders will take their Chromebooks to Rising Starr Middle or other assigned middle school at the beginning of the 2018-19 school year.

If your child is moving to another school within Fayette County, the device will go with them.

If an unexpected move occurs during the summer the Chromebook and charger **MUST** be returned to Braelinn Elementary School. Please check the school website for summer office hours. (www.braelinnelementary.org)

Chromebooks in need of repair during the summer should be taken to Technology Services located at the LaFayette Educational Center in Fayetteville

If you purchased insurance, your child's Chromebook will be covered for the summer.

Worth Ave. Group, Jason Grewell - jason@worthavegroup.com

If your child's Chromebook is stolen, you must obtain a police report and contact Fayette County Technology Services immediately at #770-460-3990 ext. 101

Warranty Repairs

The Fayette County Technology Services department in Fayetteville will be handling summer repairs to Chromebooks. For more information call Technology Services at 770.460.3990 ext. 101.

Please review the chart below from the FCBOE User Agreement for cost information of lost/damaged items.
