Dear Parents/Guardians:

8th grade students will be taking their first final exams during the week of December 11th - 15th. This schedule applies for all 8th grade students. Please try to reschedule any appointments that may occur during this time as your child should be present and on time for final exams. We will not be able to interrupt final exams to contact students. Please note that students in HS Spanish 1 and HS German 1 are taking their exam on Tuesday and Wednesday in two parts. All other exams will be taken with their scheduled course during the assigned class period.
