Attention 8th Grade Families:

Final exams for 8th grade students will take place during the week of **December 16th - 20th**. This schedule applies to all 8th grade students. **Please reschedule any appointments** that might conflict with this time frame, as it is crucial for your child to be present and on time for their final exams. We will not be able to interrupt exams to contact students, so it is important that they attend each session fully.

Special note for students in **HS Spanish 1 and HS German 1**: These exams will be split into two parts and will take place on **Tuesday and Wednesday** of the exam week. All other exams will be administered during the scheduled class periods for each course.

Thank you for your cooperation and support in ensuring that your child is prepared and present for their final exams.
