

## SMHS AP Exams- 2021

Parents and Students:

AP exams will be Monday, May 3- Monday, May 17. Click [here](#) for the exam schedule including report times and locations. All exams will be held at Starr's Mill High School. Students should enter for exams at the auditorium lobby entrance.

Please see important exam information below.

- On the day students are testing, students will be marked for testing and they will be excused from all of their classes. Students should not be on campus prior to reporting to their exam and should leave campus following their exam.
- Students should minimize the number of personal items brought into the building as they will be collected before testing.
- Students should bring two #2 pencils and two black or blue pens.
- For tests allowing calculators, be sure to bring a CollegeBoard approved calculator. Students cannot share calculators during testing. Click [here](#) for the CollegeBoard calculator policy.
- Students taking two exams in one day should bring a sack lunch or snack to eat in between test sessions.
- Additional AP exam resources can be found below:
