

Calling ALL
Spring Hill Elementary
3rd-5th Grade
Students & Parents!

Join us in person for
Saturday Success Workshops
Milestones Readiness for Students and Parents

January 27th (Reading/ELA)

March 2nd (Math)

April 13th (5th Grade Only-Science)

10:00am-12:00pm

These interactive workshops will be held in person at the school.

**They will be facilitated by a grade level teacher &
are designed for parents and students.**

Participants will review the standards that will be covered on the test, fine tune test taking strategies and practice the skills that will be tested on the Milestones Test in April.

Both parents and students will leave with a deeper knowledge of what to expect on the test and how to be best prepared.
