

FEBRUARY

SARA HARP

MINTER

Looking for people to be guest speakers!

During the month of February, we have many school-wide plans to recognize Black History Month. On February 25, we plan to have some of our parents and community members visit classrooms to share stories and/or represent notable African-Americans past and present. We would love to have several guest speakers on this day to visit classrooms. Some of our guests are even planning to dress up like the person they are representing! Would you be interested in helping us? Please contact Mrs. Angelo.

February 25

8:00-11:00 am

**Dress up and/or
represent an
important person
past or present.**

**Come to visit one
class or many
classes!**

Be creative!

**Inspire our
students!**
