## **We promised you wouldn't have to sell anything this year!!**

This request from your PTO is in lieu of sending students home with the task of selling items, collecting money and delivering orders (or worse, having you do it for them!). Please help us avoid those uncomfortable moments with friends, family and co-workers by supporting your PTO with your donation. Here are some suggestions:

\_\_\_\$15\_\_\_ I spend way too much time in my kitchen already. So you don't have to have a bake sale, I'm sending the money I would have spent on cookies, cupcakes, pies or other goodies.

\_\_\_\$25\_\_\_ I do not want to compete with any other organization selling stuff that my family, friends and coworkers don't need so here's what I would have spent on popcorn, cookies, soft drinks, wrapping paper, etc. to make it look like I participated. (P.S. Please include my membership in the PTO with this donation...yay!)

\_\_\_\$50\_\_\_ I do not want to walk, run, fly, rock, swim, or otherwise participate in anything that ends with "thon". Here's the money for my free t-shirt and please include my membership in the PTO with this donation.

\_\_\_\$75\_\_\_ Here's my way of saying "thank you" for not inviting me to a ball, gala, dance, or any event that requires me to spend money on clothing, a rubber chicken dinner, and a silent auction. Yes, please include my membership in this donation.

\_\_\_\$100\_\_\_ I'm entering the Witness Protection Program and will gladly pay you to take my name off of any list that you're keeping. I love the PTO anyway so please include my membership in this donation.

\_\_\_\$\_\_\_ Please accept this donation as my gratitude for not having to buy, sell, trade, show up, or do anything other than filling out this form. Every dollar helps!!

Only one donation per family, please! Each child in your family and their class will receive credit for your donation. Cash or checks are accepted. **Make checks payable to CES-PTO.** We are collecting donations during the entire month of February with **the final tally taken on March 4<sup>th</sup>**. Classes collecting the highest dollar amount and highest participation percentage will be eligible for fabulous prizes such as free ice cream during lunch, an extra recess, etc. The teachers in those winning classrooms will also receive prizes 😊 Thank you so much for your support!!

***What does the CES-PTO do with your donation?*** We raise funds to provide extras such as technology enhancements, playground maintenance, courtyard development and grants to our teachers for educational support materials they otherwise may not have in their classrooms. The donation always goes back to support CES in some way so you can feel good about your investment!! Please direct questions to your PTO Board.
