

**Wellness Committee Meeting  
Agenda  
May 17, 2018**

**Welcome**

- Introduction

**How Did We Do This Year?**

- Recap of Policy Implementation
- School Level Assessments
- Strengths/ Weaknesses at the School Level
  - Strengths
    - Most schools are in compliance with vending machines and school stores
    - Smart Snack approval process is working well and other districts are using our forms
  - Weaknesses
    - Problems this year with items in vending machines that do not comply with Smart Snack Guidelines
    - School Store operators need training on Wellness Policy and Smart Snack Guidelines
- Feedback, Suggestions, Future Goals at the School Level
- Any Summer Plans? (Ex. – School Gardens that need tending)

**Guest Speaker – Rebecca Portman, Humane Society**

- Forward Food
- Recipe Presentation
- Healthy Eating

**What's Next?**

- Goals, Promotions, Activities, etc. for SY 2018-2019
  - Goals for SNP
    - New Software to allow for easier access to carb counts, allergy information, and other nutrition facts
    - More frequent Mobile Dairy Classroom visits at schools
  - Goals for School Level
  - Goals and Concerns to address with the FCBOE
- Evaluate Schools in SY 2018-2019
- Meet again in SY 2018-2019
  - Discuss strengths, weaknesses, and evaluations

**Questions for the Good of the All**
