What is Title I?

Spring Hill Elementary is identified as a Title I school. Since 1965 and the passage of the Elementary and Secondary Education Act and the newly adopted Every Student Succeeds Act (ESSA), Title I provides a source of federal funding to America's schools. Title I is designed to support state and local reform efforts and enhances efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

Spring Hill Elementary is committed to helping our parents attend the parental activities listed in this plan. Childcare assistance will be offered for our programs. Revised June 18, 2019

School Plan for Shared Student Achievement

What is it?

This plan explains how Spring Hill Elementary will provide opportunities to improve parent involvement to help support student learning. Spring Hill realizes that our parents are our most valuable resource in engaging and equipping students. The plan specifically details how Spring Hill Elementary will actively support parent engagement and work jointly with parents in planning and promoting student learning at home and school.

How is it Revised?

Spring Hill Elementary invited all parents, teachers, and administrators to our stakeholder's meeting to review and give input to the parent involvement policy, the schoolwide plan, the parent involvement budget, and student achievement results. Input given at this meeting and feedback that came through workshop and meeting evaluations, annual parent surveys, and personal feedback given to our Parent Liaison and Title I Contact were used in creating the policy. The Parent Involvement Plan is posted on our school and parent involvement websites with each having online feedback forms. Parent comment cards are also available in the front office or in our parent resource room.

Who is it for?

The activities and opportunities described in this plan are for all students and families of students. Families with limited English or with disabilities will be provided with full opportunities to participate by providing translations or a translator.

Where is it Available?

At the beginning of the year, the plan will be sent home with all student in their weekly communication folders. A digital copy will also be sent through email and posted on Spring Hill's school and the parent involvement websites. Hard copies will be kept in the office and the Parent Resource Center.

2019-2020 District Goals

- Increase equity and access for all students
- Increase student mastery of state standards
- Improve effective engagement with stakeholders and community

2019-2020 School Goals

- **ELA**-Increase the number of students who earned a 3 or 4 as measured on the English Language Arts Milestones and increase the number of students who achieve 75% on Dibels Next Universal Screener.
- **Math**-Increase the number of students who earned a 3 or 4 as measured on the Math Milestones.
- **School Climate**-Improve school culture, climate and safety for faculty, students and parents as measured by the 2019 school climate surveys.

School-Parent Compacts

As part of this plan, Spring Hill Elementary and our families will develop a school-parent compact, which is an agreement that parents, students, and teachers will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on parents, students, and teachers comments at the Title I End of the Year Meeting in the spring, during quarterly Academic Parent Team Meetings, feedback given on forms, and online comment cards. The School-Parent Compacts are kept on file at school whenever parents need a copy.

Parent Involvement

Spring Hill Elementary wants each child to learn, lead, and achieve! We believe that parental involvement means the participation of parents in regular and meaningful two-way communication involving your child's learning & school activities, & also ensuring:

- That parents value regular school attendance & your child being prepared for school each day.
- That parents play an active role in assisting your child's learning.
- That parents are encouraged and welcomed in volunteering and participating in the classroom and school-wide events.
- That parents are invited to conference and communicate about their child's education.
- The carrying out of the other activities as described in this plan.

Spring Hill Suns are Shining!

Spring Hill will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will...

- Ensure that all information related to school and parent programs, meetings and other activities are...
 1. Published in both English and Spanish
 2. Posted on Spring Hill's school website
 3. Included in our weekly principal's email and classroom newsletters
 4. Highlighted on Spring Hill's social media outlets
 5. Sent home with students in their weekly communication folders
 6. Shared through email notifications
 7. Housed in the office and parent resource center
- Maintain the Spring Hill Parent Involvement website with accurate and timely information for parents to stay informed, register for workshops, and give online feedback.
- Communicate with families on a regular basis including phone messages, email, conferences, and share information on the school and parent involvement website and in the parent resource center about our School Improvement Plan, Title One Plan, and Parent Involvement Plan so that parents are informed of the goals that Spring Hill is attaining.
- Announce all volunteer opportunities available at Spring Hill through the school website, social media, newsletters, emails, the office, and the Parent Resource Center.
- Student-led conferences will be held to explain your child's progress and review assessments and strategies so that parents can work with their child to monitor and meet academic needs.
- Provide necessary materials for parents at conferences and meetings to help parent's work with their child to improve student achievement. In grades K-1, backpacks filled with a math and language arts games and leveled readers will be sent home weekly to parents requesting supplemental activities to use with their child. Parent Universities will be held throughout the year to educate parents on standards being taught, strategies being used and technology that can be accessed at home. Milestones Prep workshops will be held for both students and parents.
- Convene an Annual Title Meeting, a midyear Title I Planning Committee meeting, and a Title I End of the Year Meeting for parents to collaborate on parent involvement policy and be informed of ongoing developments at Spring Hill and county-wide.
- We will involve parents in the decision of how to spend the One Percent Parent Involvement Funds and listen and collect parent requests for workshops and other activities through our annual parent survey, comment cards placed in the office & Parent Resource Center and our stakeholder meeting.
- Provide teachers and administrators with ongoing training that has been recommended and developed by parents on how to encourage parent engagement on an ongoing basis.
- Provide interpreters or Language Lines for ELL families at meetings and conferences.
- Provide flyers and information in native language to ELL families.
- Make available a Parent Resource Center to provide parents with resources, computer access, and input from a certified teacher to help with ongoing learning for their children.
- Summer Bridge workshop and workbooks will be made available to help parents aid their student in preventing summer learning loss and transitioning to the next grade level.
