## What is a school-parent compact?

A school-parent compact is an agreement between teachers, parents, and students. The compact explains how we will work together to help each child meet the expected grade-level standards.

## How is it created and revised?

The compacts are jointly developed. They are reviewed and updated annually based on stakeholder feedback. In addition, teachers, parents, and students work together to develop goals and strategies for a successful school year. Suggestions are welcome at any time.

## Our Academic Goals

### Fayette County BOE Goals for 2023-2024

- ❖ By 2024, all students will meet their individual subgroup performance targets as established through the state accountability model.
- ❖ By 2024, Fayette County Public Schools will reflect a safe and healthy educational experience with an average rating of 4 stars as measured by the CCRPI Climate Star Rating.

### Cleveland Elementary Goals for 2023-2024

- ❖ During the 2023-2024 SY, we will improve Tier One instruction, thereby increasing student engagement and academic achievement.
- ❖ During the 2023-2024 SY, students will demonstrate academic growth on identified district benchmark assessments. 57% of 3rd - 5th grade students will score at the level 3 or 4 on the ELA and Mathematics Milestones assessments by May of 2024.
- ❖ During the 2023-2024 SY, we will enhance our school culture by ensuring a safe and healthy learning environment as measured by the state and school base climate survey.
- ❖ During the 2023-2024 SY, we will reduce the number of students with excessive absences to 17% to ensure access to learning opportunities for all students.
