

PARENT CONTRACT

As a parent of a student enrolling in the Fayette County Alternative Education Program I understand that I am responsible for my student complying with the following requirements:

1. Attending school every day except for instances of personal illness, death in the immediate family, family emergencies, and for appointments which cannot be scheduled outside of the school calendar or school day.
2. Arriving on time every day. (On time means that they are inside the entrance door before 9:00 a.m. Remaining in class every day until the end of the school day at 3:00 p.m.)
3. Adhering to the school's uniform dress requirements.
4. Adhering to all school and school system rules and expectations.

I further understand that I am responsible for complying with the following requirements:

1. Calling the Alternative School office before school to report that the student will be absent or late and the reason. **If a call is not received before school, the student will receive a disciplinary referral for "skipping".**
2. Providing the Alternative School office with written documentation regarding all absences on the day the student returns.
3. Reviewing and signing progress reports and discipline referrals having the student return them on the day following issuance.
4. Providing reliable transportation so that the student may attend every day, arrive on time and be picked up on time.
5. Communicating with the Alternative School regarding any changes in the student's personal situation, legal status, residence or contact information.
6. Responding to communication from the Alternative School in an appropriate and timely manner.

I understand that attendance in the Alternative School is a privilege which may be lost if students do not comply with program requirements and behavioral expectations.

I understand that the Alternative School will communicate with assigned probation officers regarding matters of discipline, attendance and academics. I grant permission for the sharing of information between the Alternative School and officers of the court.

I understand that any violation of the law committed by a student will be prosecuted.

I understand that student achievement is based on the effort, motivation and attitude of the student and that it is possible that my student may earn less credit than they would have during the same period of enrollment in a regular school program.
