

Flat Rock Middle School

.....

Mrs. Brittany Cook

HELLO EAGLE FAMILY

I am one of the Professional School Counselors for 7th and 8th(A&C iykyk) students. My educational background includes a Bachelor's degree in Sociology, a Post Baccalaureate certificate in Nonprofit Management & Community Development and a Master's in Professional Counseling, with a concentration in School Counseling, all from the University of West Georgia. I previously worked for the Department of Family and Children Services in the Foster care unit before transitioning to Higher Education at UWG where I worked in Student Affairs for 6 years. My family and I own a Funeral home, *Cook Brothers Funeral Directors and Cremations* located in Fairburn, Georgia. I'm originally from the Dallas, Texas area so I spend my free time cheering on the Dallas Cowboys, trying new foods, traveling, and volunteering with my church, Saint Smyrna Baptist Church in Newnan, as well as the Phi Pi Omega (Coweta-Fayette) Chapter of the Alpha Kappa Alpha Sorority Incorporated. I've been married to my husband Tamarkus since 2011, we have three children, two sons and one daughter and we reside in Coweta County. My family and I LOVE being a part of the Eagle family and I always look forward to meeting new additions to The Rock and helping develop our young Soaring Eagles!
