Posey Bed Presentation
One of our most successful projects!
Our Assignment

Presentation
Needed to go over
- Safety
- Eligibility of patients
- Cost
- Features

Infographic
Emphasized key points graphically
**POSEY BEDS FOR**

**POSEY BEDS**

**FEATURES**

- Canopy is fully integrated with a completely automatic hospital bed
- Enclosed 5" mattress compartment
- Four zipper access panels
- Four access ports: two tube ports and two drainage ports
- Quick-release buckles on each access panel
- Locking casters
- Transfer brakes to add stability
- Perimeter guard to use during patient care
- Foam padding on canopy frame

**SAFETY**

1. The Posey Bed is designed to help:
   - Reduce the risk of unassisted bed exit and patient falls
   - Provide a controlled patient environment
   - Avoid the risk of a patient being trapped in the siderails, or between the mattress and the side rails

**PATIENT RESTRICTION**

2. Reduced sitter costs by 40%

3. ≈42% of patient falls result in injury

4. 91% of staff felt the Posey bed was easy to work with

5. No falls were reported during the trial period
Celebrate, Good times, C’mon!!

Holiday Emails

Creative Opportunity
2017 was an exciting year for the hospital, as old areas were renovated, new areas were opened and we celebrated our 20th anniversary as the community’s hospital. We would like to wish every physician, nurse, staff member, and volunteer a happy and safe holiday season and to thank you for making a positive difference in every life you touch.
